HERITAGE HALL

56 SEATED (WITH BUFFET SERVICE) / 100 STANDING

Our premier, private event room sits directly adjacent to the train tracks. Our flexibility in seating and table arrangements allow this room to be the perfect setting for social or corporate gatherings. The Heritage Hall can be configured in any way you wish, including but not limited to: rounds of eight, squares of four, classroom setting, open U-shape, row seating with a center aisle, or long banquet table. A beautiful fireplace at the center rear of the room serves as a lovely backdrop to complement your conference style meeting or social gathering. Our Heritage Bar is also available with exclusive service at your fingertips. Equipped with a podium, privacy blinds, projector, screen, and a separate sound system, we are confident the Heritage Hall can accommodate any of your needs.

THE ATRIUM

25 SEATED

Dubbed as The Atrium, this quaint, semi-private dining area is a great option for a smaller sized event such as a baby or bridal shower. Guests can sip champagne in the sun under a greenhouse ceiling of hanging plants, watching the trains and travelers pass by. This room is sure to bring light to any occasion!

THE WINE VAULT

16 SEATED

The Wine Vault is the train depot's original ticketing office. Secluded in the center of the restaurant, the semi-private Wine Vault has an entire wall dedicated to Trevor's selection of prized California wines. This is our elite dining space for smaller private parties or meetings. For those interested in an interactive dining experience, our executive chef and our certified sommelier can create a custom, wine-paired menu that is prepared tableside. This intimate space highlights the elegant wine display only you can truly enjoy from this room.

TRACKSIDE TAVERN

20 SEATED / 30 STANDING

Directly adjacent to the train tracks, our appropriately named Trackside Tavern gives guests a unique opportunity to eat, drink and be merry while soaking in the sights and sounds of Old San Juan. Tavern patrons can sit back, relax and enjoy our California wine list, Southern California-only beer selection, and hand crafted cocktails by our friendly mixology team. Entertainment options abound on our spacious patio with live music, three flat screen TV's, and an endless array of people watching.

FIRESIDE LOUNGE

14 SEATED

Nestled just off the Trackside Cafe, our Fireside Lounge offers a cozy space to gather a small group of friends. This semi-private room has been keeping people warm for over 100 years. Our custom built banquette provides comfortable seating for an intimate social gathering.
